CLUB RULES

CAPTAIN'S BELL

It is a long standing tradition of the Club, that at 1pm each Sunday, the Captain's Bell is rung in the Clubhouse Bar. At this time the Captain takes the opportunity to inform members of any matters of interest as well as announcing the results of the previous week's competitions and matches, other than those that are specifically Ladies.

It is expected that all winners of vouchers attend the Bell to receive them from the Captain. If prize winners are unable to attend, apologies should be conveyed to the Captain. This can be done via the Office, e-mail or phone.

The game relies on the integrity of the individual to show consideration for other players and to abide by the rules. All players should conduct themselves in a disciplined manner, demonstrating courtesy and sportsmanship at all times, irrespective of how competitive they may be.

2. COURTESY ON THE COURSE

2.1 Safety

Players must always give consideration to the safety and schedules of green keepers at work and to other players where in particular the close proximity of tees and greens could lead to the possibility of accidental injury to others by stray golf balls. The matter of holding **Insurance** is one all members are urged to consider.

Lightning: In the event of lightning occurring in the vicinity of the course it is Club policy that play **must** be suspended.

Any player continuing to play will do so at their own risk. The current rules are posted in the Clubhouse.

2.2 Care of the Course

Each day, before the start of play the green keepers will ensure the course is fit for play. Members and guests are requested to respect and maintain the standards of course preparation so that their pleasure is extended to those who follow them. Bunker rakes should be replaced in the holders provided. Playing members are asked NOT to clean their golf shoes etc in the car park.

2.3 Preventing Damage to the Course
